

Session Program

19–21 Jan 2026

YOUNGST@RS - Lost in Translation: The languages of Gravitational Waves

Thomas Osburn

Mainz Institute for Theoretical Physics, Johannes Gutenberg University
Virtual Workshop

Wednesday 21 January

10:45

11:15

Thomas Osburn: Introduction to black hole perturbation theory and self-force methods

Session | **Location:** Mainz Institute for Theoretical Physics, Johannes Gutenberg University, Virtual Workshop
