Session Program

Jan 19 – 21, 2026

YOUNGST@RS - Lost in Translation: The languages of Gravitational Waves

Zachary Nasipak

Mainz Institute for Theoretical Physics, Johannes Gutenberg University

Virtual Workshop

Wed, January 21

2:00 PM

2:30 PM

Zachary Nasipak: Computing GW fluxes and waveforms from self-force theory: a practical coding tutorial

Session | **Location:** Mainz Institute for Theoretical Physics, Johannes Gutenberg University, Virtual Workshop
