

Session Program

19–21 Jan 2026

YOUNGST@RS - Lost in Translation: The languages of Gravitational Waves

Zachary Nasipak

Mainz Institute for Theoretical Physics, Johannes Gutenberg University
Virtual Workshop

Wednesday 21 January

14:45
|
15:15

Zachary Nasipak: Computing GW fluxes and waveforms from self-force theory: a practical coding tutorial

Session | Location: Mainz Institute for Theoretical Physics, Johannes Gutenberg University, Virtual Workshop
