

## Session Program

20–22 Apr 2026

# YOUNGST@RS - Loops & Geometry: Hidden Structures in Multi-loop Amplitudes

## *The spectrum of Feynman integral geometries at two loops*

Mainz Institute for Theoretical Physics, Johannes Gutenberg University  
Virtual Workshop

## Tuesday 21 April

11:30  
|  
12:00

### **The spectrum of Feynman integral geometries at two loops: Florian Raphael Seefeld**

**Session** | **Location:** Mainz Institute for Theoretical Physics, Johannes Gutenberg University, Virtual Workshop
