

## Session Program

20–22 Apr 2026

# YOUNGST@RS - Loops & Geometry: Hidden Structures in Multi-loop Amplitudes

## *Intersection theory and symmetry relations for Feynman integrals*

Mainz Institute for Theoretical Physics, Johannes Gutenberg University  
Virtual Workshop

## Tuesday 21 April

12:00  
|  
12:30

### **Intersection theory and symmetry relations for Feynman integrals: Sara Maggio**

**Session** | **Location:** Mainz Institute for Theoretical Physics, Johannes Gutenberg University, Virtual Workshop
