

## Session Program

20–22 Apr 2026

# YOUNGST@RS - Loops & Geometry: Hidden Structures in Multi-loop Amplitudes

## *From Loops to Gravitational Waves: A Journey through the Integral Landscape*

Mainz Institute for Theoretical Physics, Johannes Gutenberg University  
Virtual Workshop

## Wednesday 22 April

09:00  
|  
10:00

### **From Loops to Gravitational Waves: A Journey through the Integral Landscape: Prof. Radu Roiban**

**Session** | **Location:** Mainz Institute for Theoretical Physics, Johannes Gutenberg University, Virtual Workshop
