

## Session Program

20–22 Apr 2026

# YOUNGST@RS - Loops & Geometry: Hidden Structures in Multi-loop Amplitudes

## *Magnusian Generating Function of Observables*

Mainz Institute for Theoretical Physics, Johannes Gutenberg University  
Virtual Workshop

## Wednesday 22 April

11:00  
|  
11:30

### Magnusian Generating Function of Observables: Trevor Schoepner

Session | Location: Mainz Institute for Theoretical Physics, Johannes Gutenberg University, Virtual Workshop
