

Session Program

20–22 Apr 2026

YOUNGST@RS - Loops & Geometry: Hidden Structures in Multi-loop Amplitudes

Pushing the Post-Newtonian Frontier: Six Loops and Beyond

Mainz Institute for Theoretical Physics, Johannes Gutenberg University
Virtual Workshop

Wednesday 22 April

11:30
|
12:00

Pushing the Post-Newtonian Frontier: Six Loops and Beyond: Giacomo Brunello

Session | **Location:** Mainz Institute for Theoretical Physics, Johannes Gutenberg University, Virtual Workshop
