

## Session Program

20–22 Apr 2026

# YOUNGST@RS - Loops & Geometry: Hidden Structures in Multi-loop Amplitudes

## *D modules and singular expansions of Feynman integrals*

Mainz Institute for Theoretical Physics, Johannes Gutenberg University  
Virtual Workshop

## Wednesday 22 April

15:00  
|  
15:30

### **D modules and singular expansions of Feynman integrals: Seva Chestnov**

**Session** | **Location:** Mainz Institute for Theoretical Physics, Johannes Gutenberg University, Virtual Workshop
