

## Session Program

22 August 2016 to 9 September 2016

# Effective Field Theories as Discovery Tools

*Oleg Antipin*

Mainz Institute for Theoretical Physics, Johannes Gutenberg University, 02.430  
Staudingerweg 9 / 2nd floor, 55128 Mainz

## Monday 5 September

10:30  
|  
11:15

### Oleg Antipin: Composite dark matter

Session |

Location: Mainz Institute for Theoretical Physics, Johannes Gutenberg University, 02.430, Staudingerweg 9 / 2nd floor, 55128 Mainz
