

Session Program

22 August 2016 to 9 September 2016

Effective Field Theories as Discovery Tools

Mikael Chala

Mainz Institute for Theoretical Physics, Johannes Gutenberg University, 02.430
Staudingerweg 9 / 2nd floor, 55128 Mainz

Monday 5 September

11:15
|
12:00

Mikael Chala: Dark matter in composite Higgs models

Session |

Location: Mainz Institute for Theoretical Physics, Johannes Gutenberg University, 02.430, Staudingerweg 9 / 2nd floor, 55128 Mainz
