

## Session Program

22 August 2016 to 9 September 2016

# Effective Field Theories as Discovery Tools

*Shao-Feng Ge*

Mainz Institute for Theoretical Physics, Johannes Gutenberg University, 02.430  
Staudingerweg 9 / 2nd floor, 55128 Mainz

## Tuesday 30 August

10:30

11:15

### Shao-Feng Ge: Testing Higgs Couplings and New Physics Scales at Lepton Colliders

Session |

**Location:** Mainz Institute for Theoretical Physics, Johannes Gutenberg University, 02.430, Staudingerweg 9 / 2nd floor, 55128 Mainz
