

Session Program

22 August 2016 to 9 September 2016

Effective Field Theories as Discovery Tools

Christian Schwinn

Mainz Institute for Theoretical Physics, Johannes Gutenberg University, 02.430
Staudingerweg 9 / 2nd floor, 55128 Mainz

Wednesday 31 August

11:15

12:00

Christian Schwinn: NLO QCD renormalization of the SM-EFT

Session |

Location: Mainz Institute for Theoretical Physics, Johannes Gutenberg University, 02.430, Staudingerweg 9 / 2nd floor, 55128 Mainz
