Session Program

Sep 18 – 29, 2017

Progress in Diagrammatic Monte Carlo Methods for Quantum Field Theories in Particle-, Nuclear-, and Condensed Matter Physics

Tutorial lecture: Deconfined criticality (R. Kaul)

Mainz Institute for Theoretical Physics, Johannes Gutenberg University, 02.430
Staudingerweg 9 / 2nd floor, 55128 Mainz

Mon, September 18

3:00 PM

4:00 PM

Tutorial lecture: Deconfined criticality (R. Kaul)

Session |

Location: Mainz Institute for Theoretical Physics, Johannes Gutenberg University, 02.430, Staudingerweg 9 / 2nd floor, 55128 Mainz
