Session Program

Sep 18 – 29, 2017

Progress in Diagrammatic Monte Carlo Methods for Quantum Field Theories in Particle-, Nuclear-, and Condensed Matter Physics

Moderated discussion: Sign problems from topological terms (F. Bruckmann, C. Gattringer, T. Sulejmanpasic)

Mainz Institute for Theoretical Physics, Johannes Gutenberg University, 02.430
Staudingerweg 9 / 2nd floor, 55128 Mainz

Tue, September 19

4:15 PM

5:30 PM

Moderated discussion: Sign problems from topological terms (F. Bruckmann, C. Gattringer, T. Sulejmanpasic)

Session |

Location: Mainz Institute for Theoretical Physics, Johannes Gutenberg University, 02.430, Staudingerweg 9 / 2nd floor, 55128 Mainz
