

## Session Program

18–29 Sept 2017

# Progress in Diagrammatic Monte Carlo Methods for Quantum Field Theories in Particle-, Nuclear-, and Condensed Matter Physics

***Moderated discussion: Sign problems from topological terms (F. Bruckmann, C. Gattringer, T. Sulejmanpasic)***

Mainz Institute for Theoretical Physics, Johannes Gutenberg University, 02.430  
Staudingerweg 9 / 2nd floor, 55128 Mainz

## Tuesday 19 September

16:15  
|  
17:30

**Moderated discussion: Sign problems from topological terms (F. Bruckmann, C. Gattringer, T. Sulejmanpasic)**

Session |

Location: Mainz Institute for Theoretical Physics, Johannes Gutenberg University, 02.430, Staudingerweg 9 / 2nd floor, 55128 Mainz
