Session Program

Sep 18 – 29, 2017

Progress in Diagrammatic Monte Carlo Methods for Quantum Field Theories in Particle-, Nuclear-, and Condensed Matter Physics

Tutorial lecture: Fermion bags for Hamiltonian lattice field theories I (S. Chandrasekharan)

Mainz Institute for Theoretical Physics, Johannes Gutenberg University, 02.430
Staudingerweg 9 / 2nd floor, 55128 Mainz

Thu, September 21

9:15 AM

10:00 AM

Tutorial lecture: Fermion bags for Hamiltonian lattice field theories I (S. Chandrasekharan)

Session |

Location: Mainz Institute for Theoretical Physics, Johannes Gutenberg University, 02.430, Staudingerweg 9 / 2nd floor, 55128 Mainz
