Session Program

Sep 18 – 29, 2017

Progress in Diagrammatic Monte Carlo Methods for Quantum Field Theories in Particle-, Nuclear-, and Condensed Matter Physics

Regular talk: Stochsatic Analytic Continuation with Optimized Features (A. Sandvik)

Mainz Institute for Theoretical Physics, Johannes Gutenberg University, 02.430
Staudingerweg 9 / 2nd floor, 55128 Mainz

Thu, September 21

11:30 AM

12:15 PM

Regular talk: Stochsatic Analytic Continuation with Optimized Features (A. Sandvik)

Session |

Location: Mainz Institute for Theoretical Physics, Johannes Gutenberg University, 02.430, Staudingerweg 9 / 2nd floor, 55128 Mainz
