

Session Program

18–29 Sept 2017

Progress in Diagrammatic Monte Carlo Methods for Quantum Field Theories in Particle-, Nuclear-, and Condensed Matter Physics

Moderated discussion: Sign problem/sign blessing (N. Prokofiev, B. Svistunov, U.-J. Wiese)

Mainz Institute for Theoretical Physics, Johannes Gutenberg University, 02.430
Staudingerweg 9 / 2nd floor, 55128 Mainz

Thursday 28 September

14:00
|
15:30

Moderated discussion: Sign problem/sign blessing (N. Prokofiev, B. Svistunov, U.-J. Wiese)
Session |
Location: Mainz Institute for Theoretical Physics, Johannes Gutenberg University, 02.430, Staudingerweg 9 / 2nd floor, 55128 Mainz
