

Session Program

18–29 Sept 2017

Progress in Diagrammatic Monte Carlo Methods for Quantum Field Theories in Particle-, Nuclear-, and Condensed Matter Physics

Tutorial lecture: Monte Carlo Methods for Graphene and Carbon Nanotubes (T. Lähde)

Mainz Institute for Theoretical Physics, Johannes Gutenberg University, 02.430
Staudingerweg 9 / 2nd floor, 55128 Mainz

Tuesday 26 September

10:05
|
10:50

Tutorial lecture: Monte Carlo Methods for Graphene and Carbon Nanotubes (T. Lähde)

Session |

Location: Mainz Institute for Theoretical Physics, Johannes Gutenberg University, 02.430, Staudingerweg 9 / 2nd floor, 55128 Mainz
