Supernova Neutrino Observations: What can we learn? What should we do?

Thursday, 12 October 2017

Network for supernova detectors **- 02.430 (14:00 - 17:30)**

   -Conveners: Kate Scholberg

time	[id] title	presenter
14:00	[17] SNARE proposal	SCHOLBERG, Kate
14:15	[18] HALO and HALO 1t	RUMLESKIE, Janet
14:30	[19] Probing the neutrino mass and mass ordering with supernova neutrinos	LI, Yufeng
14:45	[20] Simulating the kinematics of supernova neutrino interactions in the three phases of SNO+	STRINGER, Mark
