

**MITP workshop**  
**"Geometry, Gravity and Supersymmetry"**  
**April 24-28, 2017**

| First name         | Last name         | Organisation   |
|--------------------|-------------------|--|
| Dmitri             | Alekseevsky       | Kharkevich Insitute Moscow   |
| Mohab              | Abou Zeid         | Universität Göttingen  |
| David              | Chow              | Max Planck Institute for Gravitational Physics (Albert Einstein Institute) |
| Paul               | de Medeiros       | University of Stavanger  |
| Peter-Simon        | Dieterich         | Universität Hamburg  |
| Anton              | Galaev            | University of Hradec Králové   |
| Wolfgang           | Globke            | The University of Adelaide   |
| Ulf                | Gran              | Chalmers University of Technology  |
| Alexander          | Haupt             | University of Hamburg  |
| Boris              | Kruglikov         | UiT the Arctic University of Norway  |
| Wolfgang Sebastian | Lautz             | King's College London  |
| Alessio            | Marrani           | University of Padova and INFN  |
| Thomas             | Mohaupt           | University of Liverpool  |
| Achilleas          | Passias           | Uppsala U. and Nordita   |
| Nuno               | Romao             | Universität Augsburg   |
| Arpan              | Saha              | University of Hamburg  |
| Andrea             | Santi             | University of Bologna  |
| Carlos             | Shahbazi          | Fakultät für Mathematik und Physik   |
| Peter              | Sloane            | Universidad Autonoma de Chiapas  |
| Stefan             | Suhr              | Universitaet Hamburg   |
| Eirik Eik          | Svanes            | Institute Lagrange Paris   |
| Vicente            | Cortés            | Universität Hamburg  |
| José               | Figuroa-O'Farrill | The University of Edinburgh  |
| Anna               | Fino              | Università degli Studi di Torino   |
| Stefan             | Ivanov            | University of Sofia "St. Kliment Ohridski"                                 |
| Yolanda            | Lozano            | Universidad de Oviedo  |
| Tomás              | Ortin             | CSIC   |
| George             | Papadopoulos      | King's College London  |
| Alessandro         | Tomasiello        | Università degli Studi di Milano-Bicocca                                   |
| Antoine            | Van Proeyen       | KU Leuven  |
