

Session Program

10–21 Mar 2014

High precision fundamental constants at the TeV scale

Kick-off top-quark mass week

Monday 17 March

14:00

Kick-off top-quark mass week

Session | Location:

14:00–14:20 **Welcome m_{top} week**

Speakers

S. Moch, S. Weinzierl

14:20–14:50 **Determination of m_{top} from total cross section**

Speaker

C. Schwinn

14:50–15:20 **Determination of the running top quark mass**

Speaker

S. Moch

15:20–15:50 **Coffee break**

16:00
