

Session Program

Mar 10 – 21, 2014

High precision fundamental constants at the TeV scale

Status of m_t

Tue, March 18

9:30 AM

Status of m_t

Session | Location:

09:30 – 10:00 **m_t and LHC activities****Speaker**
M. Mulders**10:00 – 10:30** **Top mass determination from kinematic distributions****Speaker**
M. Schulze**10:30 – 11:00** **Coffee break****11:00 – 11:30** **Determination of m_t using jet rates at the LHC****Speaker**
P. Uwer**11:30 – 12:00** **Unstable top quark and effective field theories****Speaker**
A. Papanastasiou

12:00 PM
