

Effective Field Theories for Collider Physics, Flavor Phenomena and Electroweak Symmetry Breaking

Thursday, 15 September 2016

Session 11 (14:00 - 14:45)

| time | [id] | title | presenter |
|-------|------|--|-------------------|
| 14:00 | [20] | Analyzing the CP nature of a new scalar particle via $S \rightarrow Z+h$ decay | NEUBERT, Matthias |
