

# Effective Field Theories for Collider Physics, Flavor Phenomena and Electroweak Symmetry Breaking

## Thursday, 15 September 2016

### Session 10 (11:00 - 12:30)

time	[id] title	presenter
11:00	[18] Phenomenology of light quark Yukawa couplings	YU, Felix
11:45	[19] Exclusive hadronic decays of electroweak bosons in QCD factorization	KÖNIG, Matthias ALTE, Stefan
