

Effective Field Theories for Collider Physics, Flavor Phenomena and Electroweak Symmetry Breaking

Wednesday, 14 September 2016

Session 7 (11:00 - 12:30)

time	[id] title	presenter
11:00	[13] Resummation for jet processes	BECHER, Thomas
11:45	[14] Automating calculations in Soft-Collinear Effective Theory	BELL, Guido
