

# Effective Field Theories for Collider Physics, Flavor Phenomena and Electroweak Symmetry Breaking

## Wednesday, September 14, 2016

### Session 6 (9:00 AM - 10:30 AM)

time	[id] title	presenter
9:00 AM	[11] Precise predictions for gauge-boson pair production processes at the LHC	JÄGER, Barbara
9:45 AM	[12] Transverse momentum distributions and jet cross sections at NNLO precision	GEHRMANN, Thomas
