

Effective Field Theories for Collider Physics, Flavor Phenomena and Electroweak Symmetry Breaking

Wednesday, 14 September 2016

Session 6 (09:00 - 10:30)

time	[id] title	presenter
09:00	[11] Precise predictions for gauge-boson pair production processes at the LHC	JÄGER, Barbara
09:45	[12] Transverse momentum distributions and jet cross sections at NNLO precision	GEHRMANN, Thomas
